The SFC Council advocates and supports our school community's health, well-being, and growth. We aspire to provide a climate of mutual respect where everyone - students, teachers, staff, and caregivers - feels seen and heard.

CULTURE & ACHIEVEMENT:

Supports and collaborates with the School Leadership Team to:

- Seek enrichment & extracurricular programming
- Cultivate an inclusive, accessible, and safe culture and climate in the school community
- Assess academic outcome metrics to work to ensure the success of our student scholars
- Promote our School Programs

Facilities:

Assist and Advocate for our school's facilities needs and improvement (e.g., building renovations, landscaping, and beautification)

FAMILY & COMMUNITY

ENGAGEMENT:

Outreach to school families and greater Mt. Washington Community to:

- Organize volunteer opportunities according to school needs
- Inform all school stakeholders of important school developments and key projects related to the school.
